Dear Parents and Carers

We are already well into what promises to be a busy but fun filled half term. Please look out for upcoming key dates for non-uniform days, the Christmas Fair and also our Christmas performances.

I would like to take this opportunity to thank those parents who donated to our Harvest appeal. The donations were gratefully received by Winter Watch so thank you for your generosity.

You will have received a letter by now about Parent Conferences. If you have not yet made an appointment it is not too late. It is really important that both home and school work closely together in order to support all our children in the best possible way. It is also a good chance for you to find out how you can support learning at home so I hope to see as many parents in attendance as possible. If the time is not convenient please speak to your child's teacher so that alternative arrangements can be made.

Finally, it has come to my attention that a small number of parents are making comments about school on Facebook. I would ask that any parent who has any concern contacts school and makes an appointment with myself so that these can be discussed and resolved. As a school we are more than happy to investigate and discuss and issue or concern but social media is not the appropriate channel for this to take place. Where any information is found to be inaccurate this could lead to action against parents and as a school we would much rather work together with parents to resolve any concerns no matter how small.

Thank you for your continued support.

Mrs Driver, Head of School

Extra-Curricular Clubs

This term the teachers have organised as many after school activity clubs as they can with a total of 190 places offered and taken. This is in addition to boosters, school council and prefect meetings. We have clubs for football, dodgeball, computing, Christmas crafts, drama, Spanish, choir and orchestra. All places have been taken for this term, on a **first come first served** basis but of course supply always exceeds demand and we understand that some of the children may be disappointed to have not got a place. Clubs finish at the end of every half term and we will do our best to make sure that children who have not received a place this time get one next term. When the club letters are sent home, please can you bring your letter back either to the office or send in with your child as soon as possible. Thank you.

Parent Conferences

Your child was given a letter on Wednesday 8th November to bring home for you to make an appointment to come in to see their teacher. For parents who can't make a day appointment we have all teachers available on Monday from 3.30 - 6.30pm - by appointment.

Thursday 7th December 2017 3.45

Now that the weather has turned colder please can we ask parents to make sure that children arrive at school with coats, hats, scarves and gloves appropriate for the weather so that they don't get cold at break and dinner time. Thank you.

The next meeting of the PTA will be on Thursday 16th November at 3.40pm in the dining room. Come and join us to help raise funds and organise the Christmas Fair, we're a friendly bunch!

New Data Collection forms and allergy forms are being sent out, please get them back to us as soon as possible. It is so important that we have up to date details on record for the children. Thank you.

School Dinners

A new healthy choices Autumn/Winter menu has been released by the Local Authority which starts on Monday 13th November. If your child is currently on packed lunches and you would like to swap onto school meals, it is free for children in Key Stage 1, or just £7 per week for Key Stage 2. Please enquire at the office for further details. A copy of the menu has been sent home with every child but please come and get one from the office if you don't have one.

Calling all Early Years (U3's, Nursery, Reception) & KS1 (Y1 & 2) Parents!

Please join us for coffee/tea and a biscuit on Tuesday 14th November at 9.00am

This is a great opportunity for you to meet with other parents, find out information from the SENCOs and view some of the resources that we use on a daily basis to support your child. Please meet us at the dining hall entrance at 9am Mrs Tuckley and Mrs Brownlee

Friendship Week

Next week the whole school will be exploring issues around bullying and friendship. In Key Stage One we will focus on being good friends. In Key Stage two the children will explore how we should treat each other and all members of the Bolton and wider community.
